

Time	Programme				Concurrent Course 1	Concurrent Course 2	Concurrent Course 3
1 - 3 April 2020							
Pre-Forum Workshops							
ECMO (1 - 3 April 2020)	BASIC Nephrology (2 - 3 April 2020)	ENLS (2 - 3 April 2020)	ESPEL LLL (2 - 3 April 2020)	Ventilation (2 - 3 April 2020)	EOL (3 April 2020)	Ultrasound Bare Bones (3 April 2020)	
4 April 2020							
0800 onwards	Registration						
0900 - 0930	Plenary session 1 - Sepsis around the world: Inequalities and Opportunities						
0930 - 1000	Opening Ceremony						
1000 - 1030	Coffee Break / Exhibition						
1030 - 1100	Plenary session 2 - Nutrition in the critically ill? How much calories? How much protein?						
1100 - 1130	Plenary session 3 - Tracheal Intubation in the ICU						
1130 - 1230	Lunch Symposium 1				Meet the Expert		
1230 - 1410	Concurrent Symposia 1 ECMO	Concurrent Symposia 2 Organ Interaction in ICU	Concurrent Symposia 3 ICU Outcomes	Concurrent Symposia 4 PAEDS Respiratory			
	History and Evolution of ECMO ECMO Organisation - the lesson from Hong Kong?	Heart Lung Interaction Brain-Heart Interaction Cardio-Renal Interaction Hepato-Renal Interaction	Functional outcomes from the TARGET trial Understanding and improving post-ICU functional outcomes for older adults Long Term ICU outcomes locally Nutrition and ICU outcomes - Does it make a difference?	Mechanical Power The PICU patient on long term home ventilation Lung USS Updates on ARDS, Biomarkers, Cell Therapy in ARDS	Trainee Year in Review		
1410 - 1450	Coffee Break / Exhibition				Meet the Expert		
1450 - 1640	Concurrent Symposia 5 Critical Care Cardiology	Concurrent Symposia 6 Renal Failure and Fluids	Concurrent Symposia 7 Nutrition	Concurrent Symposia 8 Misc			
		AKI in Southeast Asia God saves the Kidneys Balanced solutions: Are the new trials the final answers?	Calorie requirements during critical illness Pro-Con debate on Permissive Underfeeding and Standard Feeding	What does end of life look like in PICU in different regions Critical Care Transport PICU in resource limited settings	Ventilator Masterclass		
1640 - 1710	Plenary session 4 - PAEDS						
5 April 2020							
0730 onwards	Registration						
0730 - 0820	Breakfast Symposium 1						
0830 - 0900	Plenary session 5						
0900 - 1040	Concurrent Symposia 9 Neurocritical Care I	Concurrent Symposia 10 Sepsis	Concurrent Symposia 11 RRS I	Concurrent Symposia 12 PAEDS Sepsis			
	Neuromonitoring Preventing DCI after SAH - Implications of the PROMOTE-SAH study The Latest Neurocritical Care Research - A Review of Pertinent Recent Neurocritical Care Journal Articles	Sepsis in LMIC vs HIC Pro-Con Debate about Sepsis Bundles Role of Endotoxin and Cytokine Removal in Severe Sepsis		Update on Definitions Sepsis Protocols and Outcomes in Paediatrics Sepsis Biomarkers Tropical Medicine / Infections and the PICU	Trainee Respiratory failure in the immunocompromised Trainee Toxicology		
1040 - 1120	Coffee Break / Exhibition				Meet the Expert		
1120 - 1300	Concurrent Symposia 13 Neurocritical Care II	Concurrent Symposia 14 ICU Administration and Well-Being	Concurrent Symposia 15 RRS	Concurrent Symposia 16 PAEDS Cardiology / ECMO			
		Burnout in Critical Care - Whose responsibility is it anyway? Pro-Con Debate about Overnight Onsite Intensivist Coverage Near misses in ICU - How to avoid	The Trials and Tribulations of Setting Up a RRS System Rapid Response Teams / MET: Detection of, Response to and Outcomes of Deteriorating Hospital In-Patients	Bleeding on ECMO LMIC Topic on Managing Congenital Hearts in Low Resource Settings	Trainee - What to do when the diaysis machine alarms		
1300 - 1400	Lunch Symposium 2				Meet the Expert		
1400 - 1430	Plenary session 6 - Christchurch Bombing and the ICU Perspective						
1430 - 1610	Concurrent Symposia 17 Organ Donation	Concurrent Symposia 18 Elderly in ICU	Concurrent Symposia 19 Special Consideration in ICU	Concurrent Symposia 20 PAEDS Sedation / PICS			
	Ethics of Organ Donation - A Discussion on Trust, Social Media and Definitions of Death Global Standard for the Determination of Brain Death Novel Use of ECMO in Organ Donation	Improving ICU Outcomes through the Geriatric Models End of Life among the elderly in the Asian vs Caucasian ICUs Frailty in ICU and its Clinical Significance	Obstetrics in ICU Dermatology Emergency in ICU	Delirium Prevention Liberation programmes What is the best medication for sedation in ICU PICS - the Scope of the Problem in PICU			
1620 - 1800	Concurrent Symposia 21 Hemodynamics	Concurrent Symposia 22 Trauma	Concurrent Symposia 23 ICU Education	Concurrent Symposia 24 PAEDS Neurocritical Care			
	Venous Congestion and Right Heart Ultrasound - the Forgotten Side Using the Ventilator to Determine Fluid Responsiveness Cardiac Output Monitoring: Throw it out or Keep it?	ROTEM and Coagulopathy Burns in ICU	Training Culture in the ICUs	Acute Stroke in Children Update on TBI Management Inflammatory Neurological Conditions Neurorehab Outcomes Post-PICU	Neurocritical Masterclass (How to do BD Testing)	Simulation (RRS) Dr Richard Chalwin, Australia	
6 April 2020							
0800 onwards	Registration						
0830 - 0900	Plenary session 7 - Mechanical Ventilation: State-of-the-art						
0900 - 0930	Plenary session 8						
0930 - 1000	Coffee Break / Exhibition						
1000 - 1140	Concurrent Symposia 25 ARDS	Concurrent Symposia 26 Immunocompromised in the ICU	Concurrent Symposia 27 Sedation and Paralysis				
	Physiology-based ARDS settings: is it feasible? Fluid Management in ARDS ECMO in ARDS Prof Giles Peek, United States of America What about ECCO2-R?	Care of the critically ill cancer patient EOL of transplant patients - When do we stop? Management of invasive fungal infections and role of therapeutic drug monitoring	Sedation Practices - Local settings vs Overseas ICU Sedation 2020 Improving Sleep				
1140 - 1210	Plenary session 9 - Assessment of Fluid Responsiveness: What have we learnt over the past years						
1210 - 1230	Closing Ceremony						
7 - 9 April 2020							
Post Forum Workshops							
Blood/ROTEM workshop (7 April 2020)	CALS (7 April 2020)	FCCS workshop (7 April 2020)	Chronic NV workshop (7 April 2020)	Hemodynamics (7 - 9 April 2020)
